

DIRECT CREMATION

Direct Cremation Price

£1345.00

A low-key alternative to a traditional funeral service. This option offers a minimised, cost-effective cremation where we will take care of all the necessary arrangements on your behalf.

Although the cost is reduced, our level of professionalism, care and attention remains the same and your loved one will be conveyed to a suitable crematorium in a respectful and dignified manner. Following the cremation, we will return your loved one's ashes into our care for you to collect at your convenience.

Our Direct Cremation Includes

- Make all necessary arrangements for the cremation on your behalf and provide professional advice and guidance where needed.
- The cremation paperwork requires completion by yourselves and can be done with us in the comfort of one of our funeral homes in Bude or Launceston, or via e-mail.
- Conveyance of the person who has died, into our care within a 15-mile radius. For distances further than this, a surcharge normally applies.
- Dignified and attentive care of your loved one.
- The appropriate Crematorium fee and Doctors fee for completion of cremation paperwork.
- Our choice of a suitable coffin.
- Provision of trained staff and a suitable vehicle to convey your loved one to the Crematorium.
- A cremation service at a date, time and place of our choosing. We will inform you on the same day that the cremation has taken place.
- Online obituary with Funeral Guide, which can be accessed via our website with an online donations facility using JustGiving.
- Conveyance of Ashes from the Crematorium back into our care for a period of up to 6 months ready for collection, or you may wish to collect these from the Crematorium yourself.
We can convey them to your home address locally should you wish, or you may wish to collect them yourself from our premises in Bude or Launceston

*Please note, this option does not allow for the visiting of your loved one in our chapel of rest. The cremation will also take place outside of public opening hours at our chosen crematorium, therefore mourners are unable to attend the committal.
